**TO: INTERESTED PARTIES**

**SUBJECT: *Modular Furniture Storage II***

**IFB #200-10-205, Addendum #2**

**Notice Is Hereby Given That The Above IFB Is Amended As Follows:**

The Energy Commission has received an additional question that is included in this Addendum #2, along with the Energy Commission's answer. The Energy Commission is extending the due date for submission of bids by 2 business days. Bids shall be due Monday, March 7, 2011 by 3:00pm.

**Question:**

Will the vendor that currently houses the furniture have an unfair advantage if they bid on this solicitation because they will not have to assume costs for receiving the furniture?

**Answer:**

Attachment 7, Cost Bid, requests monthly storage costs for storing the furniture as well as costs associated with the hypothetical situation. Since the IFB is seeking bids on the cost of storage of the furniture and the hypothetical situation only, there is not an unfair advantage associated with the costs of receiving the furniture. Bidders may include any costs that they deem appropriate in their monthly storage cost.
